Opening Day

Family and Business Ads

Please let your team parents know that anyone can place ads in the ***Program Book***. Family ads are a special way for parents to support new players, final year players, multiple players in the family, etc. Business ads receive months of exposure as the book is in constant use by parents and players throughout the season.

Contributions for the ***Program Book*** ads are tax deductible. They run:

- Full Page Ad \$125
- Half Page Ad \$75
- Quarter Page Ad \$45

Anyone wishing to place an ad must:

- Design a clean, camera-ready, appropriately sized ad suitable for the program book. Black and white originals reproduce best.
- Deliver a printed original to Hilary Leuteneker by **Monday, February 7, 2011.**
- Deliver to:
