

## **2012 Pony Division Information**

For the 2012 season, MBA Pony division is anticipating fielding two or three teams in the 680 Diablo league. The two or three teams will consist of a single 13/14 "A" team along with one or two 13/14 "B" or 13U teams depending on registration composition and numbers.

MBA's goal is to ensure that all 680 teams have paid coaches. If a player is chosen to play on the 680 "A" team, a minimal additional fee will be charged to cover excess costs associated around this team.

The date of Pony tryouts will be Saturday, January 7th and possibly Sunday, January 8th (depending on registration numbers and weather) at Joaquin Moraga School. We are not currently planning to have separate tryouts for those that want to play on the "A" team and we hope to accomplish choosing all Pony teams with the above tryout session.

MBA will post the time for specific player evaluations prior to January 7th.

We look forward to a great season for our returning Pony players and welcome those who have moved up from our Bronco program.

If you have questions or need further information, please email our Pony Commissioner, Rusty Rolfe at [rrolfe@matson.com](mailto:rrolfe@matson.com).

Registration for MBA is on-line at [moragabaseball.org](http://moragabaseball.org) until November 30th. A late fee will be applied to those registering after November 30th.

Thank you.
